Jerry/Den:

I have just been made aware of us sampling at the Ex. 6 - Personal Privacy residence today. They were on the Cabot/PADEP sampled list. As you can see from the attached map, they are outside the 9 square mile area...a little closer than Ex. 6 - Personal Privacy I wanted you to be aware of this as soon as I became aware. Ann is checking the rest of the list to ensure that there aren't any others like this. We visited Ex. 6 - Personal Privacy at his home (since this is a rental property) and had no real reason to think the rental was outside the area.
